I congratulate Binnacle Training for its commitment to excellence in VET and in particular the Certificate III in Business program which I have had the privilege to teach since 2014.

Binnacle is dedicated to the continuous improvement of course resources, the Binnacle Lounge IT platform, and its service to its Binnacle Teachers. The annual VET in Schools conference, coupled with Binnacle Workshops, Binnacle Connect Evenings and fantastic program support makes life so much easier for myself and my colleagues delivering the Binnacle program.
