

EXAMPLE WEBSITE MARKETING FOR SCHOOL (THIRD PARTY)

It is vital that the School (Third Party) provides a clear delineation of the way their Vocational Education and Training (VET) courses are undertaken. This includes listing the RTO Code of each provider.

See below for a guide on how your website marketing may present.

NOTE

Example #1 below (School as RTO) only applies for Schools who are also an RTO.

Examples #2-4 apply to all Schools.

Website pertaining to the School's Vocational Education Program to contain the following:

Vocational Education and Training (VET) courses can be undertaken in the following ways:

1. **[School Name] as Registered Training Organisation (RTO # [_____]).**
 - a. Undertake a nationally recognised qualification offered by [School Name] as Registered Training Organisation (RTO [_____]).
2. **External RTO delivered at [School Name].**
 - a. Undertake a nationally recognised qualification offered onsite by an **external RTO** (see details below). These courses are undertaken at the school as per normal timetable arrangements.
3. **External RTO delivered at External RTO premises.**
 - a. Undertake a nationally recognised qualification offered by an **external RTO** (see details below). These courses are undertaken at the external RTO location.
4. **School Based Traineeship or Apprenticeship.**
 - a. Undertaken as a School Based Traineeship or Apprenticeship involving paid work and "on-the-job" training.

Qualification (Code and Course Name)	Registered Training Organisation (RTO)
