4. Registered Training Organisations (RTOs) often work with other organisations (third parties) to deliver a range of services, including providing marketing, undertaking recruitment, using facilities and resources, and training and/or assessment of vocational education and training (VET) courses.

Binnacle Training as the RTO engages individual secondary schools **under a third party arrangement** to provide physical and human resources and deliver training and conduct assessment - **on behalf of, and in the name of**, Binnacle Training as RTO.
5. Responsibility of Binnacle Training. As the RTO, Binnacle Training is wholly responsible for all services provided on its behalf by the Partner School (as third party). Binnacle Training is responsible for enrolment into the VET course, the outcomes of the training and assessment, and the issuing of the testamur to the student. Binnacle Training must have the VET course on its scope of registration at all times.
6. Responsibility of Partner School (as third party). The *partner school* is responsible for:
 - 6.1. The delivery of training and assessment services on behalf of, and in the name of, Binnacle Training as the RTO. This includes provision of support services for students enrolled in the Binnacle program requiring language, literacy and numeracy (LLN) assistance.
 - 6.2. The provision of adequate physical (equipment and facilities) and human resources – verified by Binnacle Training – to meet the requirements of each *program*

8. Enrolment into a Binnacle Training program can only occur once these requirements have been met.

TRAINING PACKAGE CHANGES

9. From time-to-time, due to changing industry/training and education requirements, national Training Packages (which nationally recognised qualifications and units of competency fit within) undergo changes which result in new qualifications and units of competency taking place of those they supersede.

If any qualification becomes superseded either before enrolment, or while student is undertaking the qualification, Binnacle Training will ensure all students are transitioned to the new replacement qualification within 12 months of this change showing on the national register (www.training.gov.au).
