This is achieved by working alongside a Sports Coach (teacher) to deliver community-based sport and recreation activities and programs to participants within the school community (e.g. primary and junior secondary students).

General vs Sport-Specialty Formats

This program is offered in both 'General' and 'Sport Specialty' formats. Sport-Specialty formats involve undertaking one or more sport-specific (e.g. NRL, Netball, AFL, Rugby) officiating and/or coaching accreditations. Schools must be endorsed by the relevant National/State Sporting Organisation prior to offering a sport-specific accreditation.

Program Outline

The program involves learning the required knowledge and skills to be an employee in the Sport, Fitness and Recreation (SFR) industry. This learning involves practical experience as a 'Sport Assistant' and 'Community Official/Coach' and will take place in a range of settings, including the classroom, outdoors and the SFR facility at your school (e.g. sports hall).

Assessment activities include the completion of practical and knowledge tasks throughout the program. Knowledge tasks generally take the form of short answer quizzes and research tasks that are completed online. Many of the practical tasks will also involve completing an industry document (e.g. session plan).

Completing Assessments

All assessment tasks and resources are online (practical components are completed in an SFR environment e.g. the sports hall) and each term has a specific number of assessment tasks.

Your teacher will regularly review the completion of your assessment and if incomplete or not yet satisfactory, you may be required to finalise the assessment in your own time (e.g. during exam block) before the next school term commences.

Your completed assessment and associated documentation will be stored online in your Binnacle Lounge account for your teacher to mark ('Satisfactory' or 'Not Yet Satisfactory').

1. You complete the assessment each term:

- Knowledge assessments completed online in your Binnacle lounge.
- Demonstrate required skills in practical tasks.
- Access to training resources to assist with assessment are also available in your Binnacle Lounge.

The teacher marks your assessment:

- Some knowledge assessment items are 'auto-marked' by the Binnacle Lounge learning platform.
- The teacher will mark your other (e.g. project, practical and case study) assessment items.
- The sign-off page in each term is where feedback is provided and the outcome of each assessment item is recorded.
