Program Outline

The program involves learning the introductory skills and knowledge as a coaching assistant in the Sport, Fitness and Recreation (SFR) industry. This learning will take place in a range of settings, including the classroom, outdoors and the SFR facility at your school (e.g. sports hall). Training also includes practical experience as a coaching assistant, which involves working alongside teachers and coaches to assist in preparing and conducting sport and recreation sessions, programs and events for community members (e.g. primary school or junior secondary students).

Assessment activities include the completion of practical and knowledge tasks throughout the program. Knowledge tasks generally take the form of short answer quizzes and research tasks that are completed online. Many of the practical tasks will also involve completing an industry document (e.g. session plan).

Completing Assessments

All assessment tasks and resources are online (practical components are completed in an SFR environment e.g. the school sports hall) and the course has a specific number of assessment tasks.

Your teacher will regularly review the completion of your assessment and if incomplete or not yet satisfactory, you may be required to finalise the assessment in your own time (e.g. during exam block) before the next school term commences.

Your completed assessment and associated documentation will be stored online in your Binnacle Lounge account for your teacher to mark ('Satisfactory' or 'Not Yet Satisfactory').

1. You complete the assessment each term:

- Knowledge assessments completed online in your Binnacle lounge.
- Demonstrate required skills in practical tasks.
- Access to training resources to assist with assessment are also available in your Binnacle Lounge.

The teacher marks your assessment:

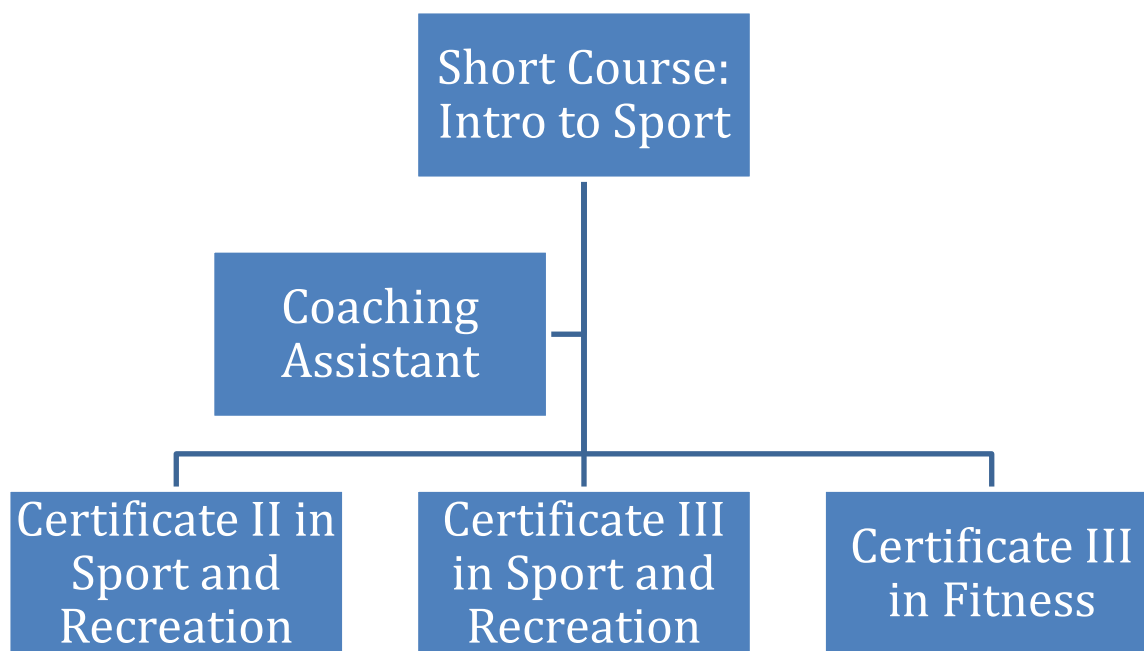

- Some knowledge assessment items are 'auto-marked' by the Binnacle Lounge learning platform.
- The teacher will mark your other (e.g. project, practical and case study) assessment items.
- The sign-off page in each term is where feedback is provided and the outcome of each assessment item is recorded.

Units of Competency

The units of competency scheduled for finalisation are:

UNIT CODE	UNIT TITLE
SISSCO001	Conduct sport coaching sessions with foundation level participants
BSBPEF302	Develop self-awareness
