Binnacle-School Third-Party Arrangement	<p>This Binnacle Training Program is delivered via a third-party arrangement with individual partner schools.</p> <p>Binnacle Training (Lead RTO) – Responsibilities:</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Provision of all requisite training and assessment resources, plus online learning – via Learning Management System (Binnacle Lounge). <input checked="" type="checkbox"/> Ongoing program support, including dedicated Program Manager and Administration Officer. <input checked="" type="checkbox"/> Outcomes of training and assessment. <p>School (Third-Party) Responsibilities:</p> <ul style="list-style-type: none"> <input checked="" type="checkbox"/> Human Resources (Program Deliverer and at least one nominated back-up deliverer)
--	---

	<ul style="list-style-type: none"> <input checked="" type="checkbox"/> Physical Resources (equipment and facilities) <input checked="" type="checkbox"/> Facilitation of training and assessment services, on behalf of Binnacle Training as the RTO. <p>School and cohort-specific information, required by Binnacle Training (as per the Standards for RTOs 2015 - Clauses 1.1 to 1.4 and 2.2 — Implementing, monitoring and evaluating training and assessment strategies and practices), is collected via the Binnacle Training Third-Party Agreement (Fillable) as completed by the Third-Party (School) and approved by Binnacle Training.</p>
<p>Target Group</p>	<p>This program is offered to senior high school students (commencing in Year 10 or Year 11) wanting to:</p> <ul style="list-style-type: none"> ● seek skills and an entry-level qualification for the sport, fitness and recreation industry; and ● use the qualification as an articulation into: <ul style="list-style-type: none"> – a higher certification (e.g. Certificate IV in / Diploma of Sport and Recreation); – a higher (sport-specific) accreditation; or – University (e.g. Bachelor of Sport & Exercise Science). <p><u>QLD SCHOOLS</u></p> <p>This Program is packaged into a 6-Term format plus an optional 'Term 7 Add-On'. The qualification SIS30115 Certificate III in Sport and Recreation derives a maximum 7 credits towards the Queensland Certificate of Education (QCE).</p> <p>8 QCE credits can be derived if the 'Term 7 Add-On' is completed. The 'Term 7 Add-On' comprises 3 units of competency (new learning), which when combined with the nested first aid unit (also new learning), totals 4 additional units of competency. These 4 units will be reported towards the separate qualification: SIS30321 Certificate III in Fitness (partial completion only). For students who successfully complete the Certificate III in Sport and Recreation (Terms 1-6) plus the 'Term 7 Add-On' as 'new learning', this will derive the maximum 8 QCE credits from the same training package.</p>
<p>Entry Requirements</p>	<p>There are no formal training package entry requirements for this qualification, however a Language, Literacy & Numeracy (LLN) Screening process is undertaken at the time of initial enrolment to ensure students have the capacity to effectively engage with the content.</p> <p>Students require AQF level 3 written and spoken English and numeracy skills to be able to meet the Foundation Skill requirements within the units of the Certificate III qualification.</p> <p>The Certificate III in Sport and Recreation qualification is delivered as a 'Fee for Service' offering only as per the Binnacle-School invoicing arrangement.</p> <p>Students must have access to all physical resources (either individually or through resources supplied by the school) as outlined in the section 'Physical Resource Requirements'.</p>
<p>Learning and Assessment Arrangements</p>	<p><u>DURATION</u></p> <p>The program content has been packaged into <u>6 terms</u> [based on delivery across one line on the timetable (minimum 3 lessons per week, i.e. 210 minutes per week) over 2 years.</p> <p>A blended-delivery model will be used whereby students will have access to:</p> <ul style="list-style-type: none"> ● Trainer-led classroom delivery of content. ● Online modules that house learning content (within the Binnacle Lounge). ● Assessment activities to be completed online within the Binnacle Lounge. ● Assessment activities and projects to be completed in the classroom and/or student-led environment.

- Participation in an Industry Discovery – at a Sport and Recreation-related workplace (recommended, however, not compulsory).

This program uses single unit and clustered assessment.

Assessment and training will be conducted at the school. Assessment methodologies will vary according to specific requirements of the Units of Competency. A range of methods will be used, including:

- Knowledge quizzes, short answer questions and other project/case study reports.
- Skills demonstrations, reports, documents, observations.
- Portfolios of evidence as completed by the student for major projects.
- Simulated assessment environment (Sport and Recreation-related industry) – located at the school.

Under supervision, students will instruct a range of sport and recreation programs as well as completing practical experience to deliver a range of sport activities and exercise programs to members of the school community (e.g. primary and secondary students). Students will also work in sport and recreation environments at the school with authentic participants.

'VOLUME OF LEARNING' AND 'AMOUNT OF TRAINING'

Volume of Learning (VoL)* per the Australian Qualifications Framework volume of learning indicators:

Certificate III = 1 – 2 years (1200 – 2400 hours)

** VoL describes how long a learner who does not hold any of the competencies identified in the relevant units of competency or modules would take to develop all of the required skills and knowledge. Further, the VoL includes all teaching, learning and assessment activities that are required to be undertaken by the typical student to achieve the learning outcomes. These activities may include some or all of the following: guided learning (such as classes, lectures, tutorials, online study or self-paced study guides), individual study, research, learning activities in the workplace and assessment activities.*

(AQF, Volume of Learning).

Amount of Training (AoT) for this program consists of classroom learning, self-study and practical work-related experience.

Classroom learning = 210 hours (1 study line over 6 Terms).

There is also an element of self-study (formative activities scheduled for students to undertake outside of class time). These activities are used by students to enhance their understanding of the content and are undertaken prior to assessment for that particular module or topic of study. Across this 2-year program, Binnacle has devoted an additional 70 minutes per week (the equivalent of one additional lesson per week) for these formative activities.

Self-Study (Formative Activities) Hours = 82 hours (i.e. 1.17 hours x 70 weeks)

An additional 40 hours of practical work-related experience is undertaken by students across the program. While some of these hours may be achieved during devoted class lessons, due to the nature of sport, fitness and recreation programs some practical experience will be undertaken outside of these class hours.

Practical Work-related Experience = 40 hours

TOTAL AMOUNT OF TRAINING (AoT) = 332 hours (210 + 82 + 40)

Binnacle rationalises the VoL hours gap (i.e. VoL 1200 hours LESS AoT 332 hours = 868 hours) by:

- Students entering the subject with a large base of foundational skills and knowledge from prior and concurrent learning (e.g. Years 9-10 HPE and other sporting/fitness involvement, including as an athlete/player).

	<ul style="list-style-type: none">• There is a large amount of overlap (clustering) of units across the 6 terms.• There being an element of self-study that students may undertake to deepen their own understanding of the content.
Learning and Assessment Arrangements	<p><u>ORGANISATION</u></p> <p>The program will be delivered using class-based learning as well as real sport and recreation environments at the school which involves delivering a range of sport, fitness and recreation programs to participants in the school community.</p> <p>A range of teaching and learning strategies will be used to deliver the competencies including:</p> <ul style="list-style-type: none">• Practical tasks• Client interactions• Group work• Programs within the school (generally a minimum of two different sport and recreation programs per term)• Practical experience within school sporting programs (e.g. athletics and swimming carnivals, cross-country, inter-school sport). <p>Evidence contributing towards each competency will be collected throughout the program. This evidence will be used to make judgements of competency that are aligned with, and reflect, the requirements of each unit of competency.</p>
Learning and Assessment Arrangements	<p><u>LANGUAGE, LITERACY AND NUMERACY ASSISTANCE</u></p> <p>Support is available to all students and can be organised - through the deliverer - on a case-by-case and as needed basis throughout the program.</p> <p>‘Reasonable adjustment’ is offered for most assessment items. This is indicated in the information table at the top of each assessment and are allocated based on unit of competency requirements.</p>
Learning and Assessment Arrangements	<p><u>OPPORTUNITY FOR RPL AND CREDIT TRANSFER</u></p> <p>Recognition of Prior Learning (RPL) is an assessment process that evaluates an individual’s informal learning to determine the extent to which that individual has achieved the required competency outcomes.</p> <p>Credit Transfer is applying credit for a unit of competency that has previously been completed (successfully) by a student. Credit Transfer is offered both at enrolment and throughout the training program. A verified copy of the student’s Qualification and/or Statement of Attainment listing the units of competency that have previously been completed is required as evidence for Credit Transfer.</p> <p>Both RPL and Credit Transfer are available to students. Due to students being of high school age, usually with limited prior qualifications or work history, students typically undergo a train-to-assess pathway. An RPL assessment pathway will require verifiable evidence of a student’s prior learning (e.g. Statement of Attainment for previously completed superseded units).</p>

Learning and Assessment Arrangements	COURSE STRUCTURE	
	<p>This program is available with a 'General' or 'Sport Specialty' Coaching and Officiating outcome.</p> <p>'Sport Specialty' outcomes involve students undertaking one or more sport-specific accreditations in officiating and/or coaching (e.g. NRL Level 1 Referee and NRL Modified Games Coach).</p> <p>In certain cases, schools must first be endorsed by the relevant National/State Sporting Organisation prior to offering a sport-specific accreditation.</p>

<p>Foundation Skills</p>	<p>Foundation Skills are the combination of communication skills and generic, non-technical skills and capabilities considered essential to meet the complexities of life in a modern society. 'Communication' skills included in Foundation Skills are English language, literacy and numeracy (LLN).</p> <p>All units of competency within new streamlined Training Packages have Foundation Skills either embedded in the unit performance requirements or listed explicitly.</p> <p>Each unit of competency selected to comprise this program has Foundation Skills that are relevant to the context of the learning outcomes and are applicable to work and life situations.</p>
<p>Student Feedback</p>	<p>Student feedback is collected and analysed. Feedback from students in relation to assessment processes, methods and instruments will be collated, analysed and improvements made in the light of student suggestions. Formal surveys/questionnaires as well as informal processes at the end of each unit of work will be used to gather data. Throughout the course, data is collected in relation to Quality</p>

	<p>Indicators. Binnacle Training also has a published Complaints and Appeals Policy which provides students and others with avenues to make a complaint or to appeal a decision (including assessment decisions) directly with Binnacle Administration.</p> <p>Date for data analysis: December (annually)</p>
<p>AVETMISS Reporting</p>	<p>Students are enrolled in the relevant units of competency and the results are forwarded at the end of each term (as a minimum) to the Queensland Department of Employment, Small Business and Training (DESBT) indicating if competency has been attained or is continuing. Binnacle Program Management and Administration staff verify that accurate and up-to-date information is recorded.</p> <p>QLD SCHOOLS: Permission is provided to DESBT for student results to be forwarded to the Queensland Curriculum & Assessment Authority (QCAA).</p>
<p>Student Records</p>	<p>Student results show the unit code, title and date achieved. The final assessment outcome for each unit of competency will be retained for a period of 30 years. Once all units are recorded as competent, a qualification or a statement of attainment will be issued.</p> <p>All completed assessment items - demonstrating sufficient evidence of how assessment decisions were made - for individual students will be retained for whichever is the longer period:</p> <ul style="list-style-type: none">• until the appeal period ends; or• for a period of six months from the date on which the judgement of competence for the student was made; or• the duration of the student's enrolment. <p>A master copy of all versions of the assessment tools will be retained for seven years.</p>
