## 2. VETiS Funding Eligibility

### Vocational Education and Training in Schools initiative funded by the Queensland Government

The Queensland Government's VET Investment Budget will provide funding for students to complete one VETiS qualification listed on the [Priority Skills List](#) whilst attending secondary school (years 10, 11 and 12). Qualifications are primarily at the Certificate I and II level and are those that have been identified by industry as leading to employment.

Binnacle Training is approved as a Skills Assure Supplier (SAS) to deliver the nationally recognised qualification: **Certificate II in Sport and Recreation** as a Vocational Education and Training in Schools (VETiS) funded qualification.

Under the SAS system, funding follows the eligible student to their chosen SAS qualification and is paid directly to the SAS provider upon submission of the student's validated training data.

## 2.1. Funding Eligibility

To be eligible to access a VETiS qualification funded by the Queensland Government, prospective students must:

- Be currently enrolled in secondary school, in year 10, 11 or 12.
- Permanently reside in Queensland.
- Be an Australian citizen, an Australian permanent resident (including humanitarian entrant), a temporary resident with the necessary visa and work permits on the pathway to permanent residence, or a New Zealand citizen.

VETiS qualifications funded by the VET investment budget **are fee-free for students.**

### FEE-FREE FOR VETiS STUDENTS

**For all eligible students who:**

- a) 'opt in' to the **Certificate II in Sport and Recreation with Binnacle Training as a VETiS funded qualification, and**
- b) **meet the VETiS funding eligibility requirements:**

**Binnacle will waive ALL Certificate II participant fees as invoiced to the school.**

**Under the Binnacle Third-Party Arrangement with schools, this means that the school should not pass on any fees pertaining to the VETiS-funded Certificate II qualification, which has been subsidised through VETiS, to the student.**

If you have previously utilised your VETiS subsidy with another **completed** qualification then you are ineligible for this program to be offered as a VETiS-funded qualification, however, you are still able to enrol into the Binnacle Certificate II in Sport and Recreation as a 'fee for service' student.

If you have a concurrent enrolment with another VETiS funded qualification, please advise Binnacle Training. We will consult your School VET Manager to confirm your funding eligibility for this qualification.

At the time of enrolment into this qualification, you will be given the option to either:

- Select this program as a VETiS-funded qualification; or
- Advise Binnacle that you choose not to use this program as a VETiS-funded qualification [e.g. you have previously completed an alternative qualification as VETiS-funded].

## 2.2. Training and Employment Survey

Each eligible student who accesses their VETiS subsidy may be surveyed by the department seeking information on their training experience.

For further information, please refer to the [Queensland Government's VETiS information](#) developed specifically for the VETiS program (see link below) or contact Binnacle administration.

## 3. Program Outline

---

The program involves developing the entry level skills and knowledge to 'hit the ground running' as an employee in the sport and recreation industry. This learning involves practical experience as an 'Activity Assistant' and will take place in a range of settings, including the classroom, outdoors and the sport, fitness and recreation facilities at the school.

Assessment activities include practical and knowledge tasks throughout the program. Knowledge tasks generally take the form of short answer quizzes and research tasks that are completed online. Many of the practical tasks will also involve completing an industry document (e.g. a Session Plan).

## 4. Completing Assessments

---

All assessment resources are online (practical components are completed in a Sport, Fitness and Recreation (SFR) environment e.g. the school gym) and each term has a specific number of assessment tasks.

Assessment completion will be regularly reviewed by the trainer and assessor and if incomplete or not yet satisfactory, it may be necessary to finalise the assessment outside of class time (e.g. during exam block) before the next school term commences.

Completed assessment and associated documentation will be stored online in the Binnacle Lounge for the trainer and assessor to mark ('Satisfactory' or 'Not Yet Satisfactory').

Students will need to provide/have access to a computer, laptop or tablet device with an internet connection.

<b>1. Students complete the assessment each term:</b>	<ul style="list-style-type: none"><li>• Knowledge assessments completed online in your Binnacle Lounge.</li><li>• Demonstrate required skills in practical tasks.</li><li>• Access to training resources to assist with assessment are provided in the respective assessment tab.</li></ul>
<b>2. Assessor marks your assessment:</b>	<ul style="list-style-type: none"><li>• Some knowledge assessment items are 'auto-marked' by the Binnacle Lounge learning platform.</li></ul>

- The assessor will mark your other assessment items (e.g. project, practical and case study).
- The sign-off page in each term is where feedback is provided and the outcome of each assessment item recorded.

#### 4.1. Student Misconduct with Online Assessment and Disciplinary Procedures

Some assessment question types allow for students to submit evidence that may be the same or similar to that of another person or source e.g. a group session plan for a project upload or a response to a knowledge question copied from a website or a presentation. Outside of these occasions, Binnacle Training must ensure the evidence contributing to a unit of competency is authentic, i.e. able to be proved as their own work.

Cheating or copying/plagiarising material from another person or resource is strictly prohibited. The below statement is included in the sign-off for each term:

I, the Candidate:

- Confirm the authenticity of the work submitted as my own, unless otherwise authorised by the assessment conditions.

In addition to an assessor checking for copying and/or plagiarised material, Binnacle Training as the Registered Training Organisation undertakes regular reviews of student assessment evidence.

As outlined in our Participant Handbook (Section 8 - Student Misconduct & Disciplinary Procedures), **Binnacle Training will not tolerate misconduct under any circumstance and a student may be asked to leave the program with no refund for misconduct such as cheating or plagiarising material.**
