

STUDENT INFORMATION

HLTAID009 Provide cardiopulmonary resuscitation

Program Inclusions

The flagship nationally recognised CPR course – HLTAID009 Provide cardiopulmonary resuscitation – provides the skills to recognise and manage a casualty who is unconscious and not breathing. CPR is a lifesaving technique which can sustain life until an ambulance arrives. Binnacle Training recommends, in line with Australian Resuscitation Council guidelines, that CPR skills are recertified every 12 months.

Most workplaces require a specific number of people to hold this training product.

Course Format and Duration

This course is delivered by your program deliverer (trainer and assessor) via a third-party agreement between Binnacle Training (as the lead RTO) and the school (as the third party).

This short course has the following course duration options (to be confirmed by your program deliverer):

- **School Term Delivery:** 3 x 70-minute lessons.
- **Half-Day Delivery:** The practical component may be completed in approximately 1-3 hours.
IMPORTANT: All knowledge assessments must be completed by participants prior to this half-day delivery.
- **One-Day Delivery:** Approximately 5 hours.

Completion Requirements and LLN

Students are required to undertake practical training and assessment at floor level which includes demonstrating CPR on a manikin for at least two minutes. The minimum age to enrol in this course is 14 years.

Students must attend 100% of this first aid training and will also require suitable language, literacy and numeracy skills to complete the course.

Topics of Study

Topics of study include:

- Emergency Management
- Assessing the Scene
- CPR and Defibrillation

Learning and Assessment

All assessment tasks and resources are accessed online through the Binnacle Lounge and course delivery will combine both online and class-based learning (including practical components) using different emergency scenarios and equipment. These include:

- Resuscitation manikins (adult and infant), including face masks
- A training defibrillator

Evidence contributing towards competency will be collected throughout the course which include knowledge quizzes (completed online) and mini-practical scenarios which are assessed in person by your program deliverer.

Units of Competency

The unit of competency that is achieved through this course is:

- HLTAID009 Provide cardiopulmonary resuscitation

Cost

\$40.00 pp = Binnacle Training fee (invoiced to the school).

Binnacle Training Third-Party Arrangements

As the RTO, Binnacle Training engages individual secondary schools under a third-party arrangement to provide physical and human resources and to facilitate training and assessment services.

Binnacle Training Responsibilities: Enrolling students into the VET course, providing online training and assessment, training and assessment outcomes, issuing certificates and testamurs, and ensuring that the VET course is on its scope of registration at all times.

School Responsibilities (as the third party): The provision of adequate physical (equipment and facilities) and human resources (qualified trainer and assessor), and facilitating training and assessment services on behalf of Binnacle Training including the provision of support services for students requiring language, literacy and numeracy (LLN) assistance.

Student Enrolment

A student's official enrolment into the program will only proceed pending all requirements being met, including:

- Unique Student Identifier (USI) recorded with Binnacle has been successfully verified by the USI Registry
- School responsibilities (as the third party) are met, as confirmed by Binnacle Training.
