# PROFESSIONAL DEVELOPMENT

At Binnacle Training we value high quality professional development opportunities. Our teachers are able to satisfy their Semester 1 and 2 HR Requirements by taking part in our Annual Teacher events which include: our Semester 1 Workshop, various Industry Workplace Visit experiences and ViSC.

**An early opportunity in Semester 1 for all Binnacle teachers to discuss their practices, network with their peers and partake in sessions delivered by Binnacle leaders and Industry-specific experts.**

Delivered virtually - via our interactive 'Elevate' platform - across two-days, streamed for our Business and Tourism deliverers and Sport, Fitness and Recreation deliverers respectively.

**We are proud to support all our teachers by investing in real-world Industry Workplace Visit experiences.**

These Binnacle-organised Industry Workplace Visits aim to broaden our teachers' understanding of industry-specific standards and practices (delivering a breadth of industry exposure, beyond the classroom).

**ViSC is delivered, via our interactive 'Elevate' platform, allowing teachers from across the state to come together to experience a highly tailored professional development event, all on the same day.**

We guarantee that our teachers will leave with actionable content from leading industry professionals addressing all Binnacle Program Areas as well as staying up-to-date with our key Binnacle Updates.

Importantly, ViSC also allows for recognition of our Program Ambassadors and long-serving Teachers throughout the State.
