Target Group

This program is offered to senior high school students (commencing in Year 10 or Year 11) wanting to:

- seek skills and an entry-level qualification for the Sport, Fitness & Recreation (SFR) industry; and/or
- use the qualification as an articulation into:
 - a higher certification (e.g. Certificate IV in Fitness); or
 - University (e.g. Bachelor of Sport & Exercise Science).

Fitness Industry Expectations - Employees 18+ Years

Employers in the fitness industry generally expect their employees to be at least 18 years of age to hold a position that assumes duty of care for participants. As a 2-year program, Binnacle Training ensures that learners will be approaching - or will have turned - 18 years of age by the expected course (SIS30321) completion date.

QLD SCHOOLS

Upon successful completion, students are certified with a maximum 8 Queensland Certificate of Education (QCE) credits as follows:

SIS20321 Certificate II in Sport Coaching (7 units)	SIS30321 Certificate III in Fitness (12/15 units; 3 overlapping units reported as Credit Transfer)	Expected Total QCE credits (assuming 90% or greater new learning)	Comments
4	4*	8	* Maximum 4 Credits obtained from Certificate III (due to maximum 8 QCE Credits rule from the same training package)

Entry Requirements	<p>There are no formal training package entry requirements for this qualification.</p>
-------------------------------	--

Learning and Assessment Arrangements	<p><u>DURATION</u></p> <p>The program content has been packaged into <u>7 terms</u> [based on delivery across one line on the timetable (minimum 3 lessons per week, i.e. 210 minutes per week) over 2 years]. This is consistent with the AQF volume of learning guidelines and can be adjusted depending on the learner cohort and individual students. All evidence requirements pertaining to the entry qualification SIS20321 Certificate II</p>
---	---

	<p>in Sport Coaching are scheduled across Terms 1-4. Terms 5-7 evidence requirements are aligned only to SIS30321 Certificate III in Fitness.</p> <p>A blended-delivery model will be used whereby students will have access to:</p> <ul style="list-style-type: none"> • Trainer-led classroom delivery of content. • Self-directed learning modules. • Practical skill development reflective of workplace tasks. • Online modules that house learning content (within the Binnacle Lounge). • Assessment activities to be completed online within the Binnacle Lounge. • Assessment activities and projects to be completed in the classroom and/or student-led environment. • Participation in an Industry Discovery – at a Fitness-related workplace (recommended, however, not compulsory). <p>This program uses single unit and clustered assessment.</p> <p>Assessment and training will be conducted at the school. Assessment methodologies will vary according to specific requirements of the Units of Competency. A range of methods will be used, including:</p> <ul style="list-style-type: none"> • Knowledge quizzes, short answer questions and other project/case study reports. • Skills demonstrations, reports, documents, observations. • Simulated assessment environment (First aid-related and Fitness-related industry) – located at the school - for demonstration of skills (practical observations). <p>Under supervision, students will instruct a range of fitness programs as well as completing practical experience (may be outside of their timetabled subject) to deliver a range of fitness activities and exercise programs to members of the school community (students and staff). Students will also work in the gym facility at the school with authentic clients, which will involve delivering exercise programs to a range of clients, including adult males (18+ years), adult females (18+ years) and older adult clients (55+ years).</p> <p>There is also an element of self-study (formative activities scheduled for students to undertake outside of class time). These activities are used by students to enhance their understanding of the content and are undertaken prior to assessment for that particular module or topic of study.</p> <p>Additional practical work-related experience is undertaken by students across the program. While some of these hours may be achieved during devoted class lessons, due to the nature of client fitness training some practical experience may be undertaken outside of these class hours.</p>
<p>Learning and Assessment Arrangements</p>	<p><u>ORGANISATION</u></p> <p>The program will be delivered using class-based learning as well as a real fitness environment (including a gym) located at the school which involves delivering a range of fitness programs to adolescent, adult and older adult clients.</p> <p>A range of teaching and learning strategies will be used to deliver the competencies including:</p> <ul style="list-style-type: none"> • Practical tasks • Client interactions • Group work • Programs within the school (generally a minimum of two different fitness programs per term) • Practical experience within the school fitness centre (i.e. group exercise, outdoor fitness, one-on-one gym programs) <p>Evidence contributing towards each competency will be collected throughout the program. This evidence will be used to make judgements of competency that are aligned with, and reflect, the requirements of each unit of competency.</p>
<p>Learning and Assessment Arrangements</p>	<p><u>LANGUAGE, LITERACY, NUMERACY AND DIGITAL LITERACY ASSISTANCE</u></p> <p>Support is available to all students and can be organised - through the deliverer - on a case-by-case and as needed basis throughout the program.</p>

	<p>'Reasonable adjustment' is offered for most assessment items. This is indicated in the assessment table at the top of each assessment and is allocated based on the unit of competency requirements.</p>	
Learning and Assessment Arrangements	<p><u>OPPORTUNITY FOR RPL AND CREDIT TRANSFER</u></p> <p>Recognition of Prior Learning (RPL) is an assessment process that evaluates an individual's informal learning to determine the extent to which that individual has achieved the required competency outcomes.</p> <p>Credit Transfer is applying credit for a unit of competency that has previously been completed (successfully) by a student. Credit Transfer is offered both at enrolment and throughout the training program. A verified copy of the student's Qualification and/or Statement of Attainment listing the units of competency that have previously been completed is required as evidence for Credit Transfer.</p> <p>Both RPL and Credit Transfer are available to students. Due to students being of high school age, usually with limited prior qualifications or work history, students typically undergo a train-to-assess pathway. An RPL assessment pathway will require verifiable evidence of a student's prior learning (e.g. Statement of Attainment for previously completed superseded units).</p>
