This program uses a blended mode of delivery which includes face-to-face plus online training and assessment such as classroom lessons, digital learning modules, virtual lessons, online and practical assessment.

3. LLND and Course Suitability Advice

During pre-enrolment, students will complete an LLND Screening (via LLN Robot) to establish their language, literacy, numeracy and digital literacy skill levels and will be provided with advice about whether the course is suitable for them.

Based on the outcome of this review, the school (on behalf of Binnacle Training) will provide the student with advice regarding the suitability of the training product to each prospective student prior to enrolment being finalised. This process ensures students are fully informed about the program requirements before committing to the course or incurring any associated fees.

Students should check with their school about payment - it may be set up like other subjects, and there may be additional fees for:

1. Learning resources or textbooks
2. Excursions or site visits
3. Equipment or materials specific to your program

A detailed breakdown of course fees can be found on the [Binnacle Training website](#).

Refund Requests: As per the [Student Handbook](#), Binnacle Training aims to minimise the need for refunds by invoicing the school directly for programs after the enrolment cut-off date (30 June in the year of commencement). This means that you don't pay any fees directly to Binnacle Training.

However, if you are dissatisfied with your Binnacle Training program, you can apply for a refund through your school, and they will contact us to process it. You can also request a refund directly from Binnacle Training by completing a [Refund Request](#) form. We will then contact your school to confirm the request.

5. Completing Assessments

All assessment resources are online (practical components are completed in a real or simulated tourism related environment) and each term has a specific number of assessment tasks.

Assessment completion will be regularly reviewed by the trainer and assessor and if incomplete or not yet satisfactory, it may be necessary to finalise the assessment outside of class time (e.g. during exam block) before the next school term commences.

Completed assessment and associated documentation will be stored online in the Binnacle Lounge for the trainer and assessor to mark ('Satisfactory' or 'Not Yet Satisfactory').

Students will need to provide/have access to a computer, laptop or tablet device with an internet connection.
