2027 EDITION

HLTAID011 PROVIDE FIRST AID

Binnacle Training (RTO Code 31319)

HOW DOES IT WORK

Students learn to confidently manage emergency situations and provide first aid care to a casualty. It is suitable for both people in a workplace and members of the public who want first aid training.

Binnacle Training recommends, in line with Australian Resuscitation Council guidelines, that First Aid skills are recertified every 3 years, and CPR skills are recertified every 12 months.

Participants are required to undertake practical training and assessment at floor level which includes demonstrating CPR on a manikin for at least two minutes.

Participants must attend 100% of this first aid training and will also require suitable language, literacy, numeracy, and digital skills to complete the course.
